**DETAILED ACTION**

***Response to Amendment***

In view of the amendment filed on March 21, 2005, the prior rejection of claims under 35 USC 103(a) is hereby withdrawn.

***Allowable Subject Matter***

Claim 1, 3-5, 11-15, and 21-34 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record at least fails to teach or suggest an apparatus and method for explosively severing a length of pipe comprising the structural elements and the steps of operating the same as now being amended in the respective claims. The arguments noted in pages 15-19 are persuasive in respect to the distinctive nature of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frank S. Tsay whose telephone number is (517) 272-7038. The examiner can normally be reached on Monday thru Friday, 7:30am-5:00 pm, 2nd Friday off.
